true cooling specialists

HIGHLY RELIABLE CRYOGENIC FREEZER WITH INDEPENDENT TRUE DUAL TECHNOLOGY PROVIDES THE BEST SECURITY FOR YOUR SAMPLES.

The cryogenic freezer offers a wide variety of research and long-term storage application for ultra low temperature scientific experiments, preservation of cells, DNA, bone material & bacteria.

# **ENERGY EFFICIENT**

Arctiko's CRYO 230 freezer only uses 33kwh/24h which is extremely low compared with competitors.

The independent TRUE DUAL™ technology ensures extremely low cost of ownership and noticeable impact on the runnings costs. Our CRYO is a superior alternative to LN2 based products, e.g. cryotanks. With no LN2 needed, it operates solely on a power supply which lowers the operating costs.

## **SUPERIOR PERFORMANCE**

The dual cooling system is designed to keep the unit at -150°C, and with only one cooling system active the unit is still able to achieve -130°C – with an outstanding uniformity of +/-3°C.

The TRUE DUAL<sup>™</sup> technology makes sure that you are provided with the best and most secure and reliable cryogenic freezers with excellent temperature stability and superior performance.

### **▶ MOST SECURE CHOICE**

Arctiko's CRYO freezer eliminates the cost of LN2 storage maintenance and avoids hazardous operation conditions.

Arctiko's CRYO freezers are specially developed to avoid cross contamination and to provide a more environmentally friendly economic alternative to the LN2 cryotanks. Choosing this CRYO you will have one of the most reliable freezers available in the market.

TRUE DUAL™ TECHNOLOGY

FILTERLESS CONSTRUCTION

REDUCED NOISE LEVEL

LOW ENERGY CONSUMPTION

Temperature chart recorder for recording of temperature (optinal).

User-friendly controller with access to all the necessary functions.

Key lock is standard feature in our CRYO 230. Placed on handle for optimal security of your samples.

# ARCTIK® CRYO 230

true cooling specialists

The ARCTIKO CRYO 230 supports following optional features:

- LN2 backup
- GSM alarm module
- Racks & boxes
- Cryo gloves

**ISO ISO 9001:2015**Certificate No: 33037
