# ARCTIK® PR 1350

#### **BIOMEDICAL REFRIGERATOR**

With its low energy consumption, Arctiko's eco-friendly PR series offers flexibility, security, and reliability for users. The Carel controller features an integrated data logger, which can be accessed via Bluetooth.

### **▶ ENERGY STAR CERTIFIED**

Energy Star certified, guaranteeing exceptional energy efficiency and reduced environmental impact, while maintaining superior performance in temperaturesensitive storage applications.

## **▶ INTEGRATED DATA LOGGER**

Combining accurate temperature monitoring for optimal sample storage and regulatory compliance, the integrated data logger empowers you with on-the-go control via detailed graphs, alarms, and settings accessible through your phone's Bluetooth connection to the unit's display.

#### **▶ FORCED AIR COOLING**

Forced air cooling provides excellent temperature stability. Forcing the airflow around the stored items ensures quick temperature recovery after door openings.

## **KEY LOCK SECURITY**

Equipped with a secure key lock, providing an added layer of protection for valuable contents and preventing unauthorized access. This feature ensures the integrity and confidentiality of stored items, making it ideal for environments where security is

## > SNAP/EPA COMPLIANT **REFRIGERANT**

Utilizes refrigerants that are fully compliant with the Environmental Protection Agency (EPA) and the Significant New Alternatives Policy (SNAP) regulations, ensuring environmentally responsible operation without compromising performance or safety.

The Carel controller features Bluetooth connection, visual

high/low-temperature alarms,

open-door alarms and a data

and acoustic alarms.

Easily adjustable shelves in order to offer best flexibility for your storage needs.

**DATA LOGGER** 

AIR FORCED COOLING

**ADJUSTABLE SHELVES** 

**VARIOUS SAFETY FEATURES** 

All models feature durable cost saving LED lighting for better overview of your samples

<sup>\*</sup> The pictures shown are for reference only, actual product size may vary. Please read the dimensions of the product in the specifications.

The ARCTIKO PR, LR and LF series includes the following features, and more:

- Forced Air CoolingLow Energy Consumption
- Key Lock on Door
- Carel controller
- Remote Alarm Interface
- Monoblock Technology
- Eco Friendly Refrigerant
